

USAV Girls Junior National Championships Power Addendum

All SPARK power teams will complete play at the Regional Championships in May unless the team earns a bid to the National Championships.

Teams that successfully earn a bid to Nationals will have their season extended until they complete play at Nationals in mid-July.

The cost for the Nationals extension is \$700 per player, whether the player attends or not. The above cost covers the following...

- National Championship Tournament Fees
- Extra Tournament in May
- Gym costs for extra practices
- Coaches' pay
- Coaches travel expenses (Air travel, hotel, car rental, coaches' stipend)

Individual player travel expenses are separate and are the responsibility of the parents.

ALL PLAYERS ON POWER TEAMS THAT QUALIFY FOR THE NATIONAL TOURNAMENT ARE REQUIRED TO MAKE PAYMENT OF \$600 WITHIN 7 DAYS OF RECEIVING A BID.
